It was suggested that all new members receive a copy of the club tournament dates with the other information they receive when they join.

JONATHAN sent information that the lawns should not be used on September 4th or 10th because of preparation needed before the weekend's events. Discussion has been taking place re the ground maintenance for next year: the cricket field will be cared for separately, and the rest will be contracted out - (Noel is to put in a bid to do this work). The lawns will gradually be taken out of commission from the end of September, and there will be no winter lawn. Jonathan is not able to be on the croquet committee next year, but will remain on the grounds committee.

Any Other Business:

1. Tony has been approached by a Mr Cartwright (estate agent) who is arranging for golf croquet to be played by a small group of estate agents/ farmers. It was agreed that they can have the use of two lawns for a session for £20. Tony will inform Sue or Gwen when this is arranged.
2. Tony will organise the club afternoon on Monday 24th August.
3. It was noted that some members never use the mallet room, and so are unaware of the croquet activities because they do not read the information provided.
4. Table tennis will start on Wednesday 21st October, 10 12, all welcome.
5. Whist afternoons will start on Tuesday 20th October, 2 all past and present croquet members (and spouses) welcome.
6. A volunteer is requested to keep the huts clean in September.
7. A request had been made for the SWFed 'B' league players to play an 18 point game instead of a 14 point game. The committee agreed that this should be taken to the SWFed AGM in the autumn. It was proposed last year but was not accepted. Sue will contact David Magee.

JONATHAN has arranged that the lawns will be closed one each week from Sept 13th; there will be no further play after 5th October. He has spoken with the contractors re the necessary lawn treatment; they will continue until their contract ends at the end of January.

Much discussion took place about the grounds and proposed contracts for next year.

Jonathan has replaced some of the corner flags on the lawns.

Any Other Business:

1. Tony produced a plan for the development of the facilities on lawn 3, which will be presented to the members at the AGM. A vote will be requested so that the work

may be done with the support of members, either with the help of a lottery grant or by our own fund raising. Information and costing will be available for all to see before the AGM., and members are encouraged to attend.

5. The group of estate agents etc who wish to hire two lawns, have not yet contacted re a date. They have been given Gwen's and Sue's phone numbers.
6. The club mallets will be sorted out during the autumn. It is proposed that members remove their mallets from the lawn 3 hut by the end of the season.
7. A chain is to be put along the length of lawn 1 to deter the general public from going onto the lawn.
8. Members of the committee were unanimous in voicing their concern that Derek Middleton and his girl-friend are using the room upstairs in the main pavilion as their living quarters (sometimes hanging towels out of the window).

As this is not a designated flat is there insurance cover? also are either of them paying rent?

Please would Tony take this to the management committee/ trustees.

Visitors had used lawn 4, by prior arrangement, from 2 - 7 p.m. on Saturday 26th Sept. and welcomed by Mary. As yet no payment has been received. Tony will follow this up.

Chairman's Report:

GWEN attended the last meeting:

Apologies have been received from the cricketers regarding the cricket balls on the lawns, especially during tournaments. Diary entries for our tournaments are not always checked before the wicket is prepared.

Hockey matches will be played more frequently, starting at 2 p.m. (AstroTurf is not being used so much.)

There will be a French evening in November, the date to be announced later.

The accommodation upstairs should be vacated by the end of this Week.

Members' Reports:

JONATHAN had had a meeting with Roger Packe re the grounds. It was decided that we should employ a full-time groundsman; an enquiry had been received from Terry Riding, self-employed, from Burton-on-Trent, who will be moving down to this area with his wife. He will commence when the current contract of Acer has finished.

The laser machine currently at Budleigh Salterton will be used on our lawns as soon as it can be arranged, to produce a contour map. Cost - £30 to the C.A.

All lawns will be closed as from this Thursday.

MARY co-ordinated the Golf Croquet against Budleigh Salterton on September 22nd, in Olga's absence. Sidmouth won by one point, making the games level for this year.

She had received a letter from Rotary (for the N.T.) offering a pitch, 12 X 15, on the Ham on June 5th. It was proposed that we could use it in the afternoon (£15), to promote croquet. Mary would reply.

Mary queried if there would be an Inter-Club tournament in 1999, but the travel involved would be prohibitive to most members. There was also a request for our club finals to be later; to be arranged around the first weekend in September.

An extra cup is in safe-keeping with Gwyneth Dart.

John Toye had been thanked for his management of the September weekend.

EILEEN is having to alter the menu choice for October 22nd, as there is only a choice of two. She will contact those who need to change. The money will be collected on the evening. There is a limit of 50 places. Husbands/wives of members will need to wait until all members have had a chance to put their names on the list.

#### Any Other Business:

2. Sue would ask Gwyneth and/or Iris if there was a croquet section constitution.

## MINUTES OF THE ANNUAL GENERAL MEETING OF THE CROQUET SECTION

HELD ON THURSDAY 22ND OCTOBER 1998 AT 6.00 P.M. IN THE PAVILION

The Chairman opened the meeting by welcoming the 60 members present, the Club President, the Club Chairman and Mr and Mrs Brian Hanson.

Apologies for absence were received from Marjorie Barlow, Wendy Carter, Lyn Coombs, Arnold Cox, Josie Davies, Ian Davis, Michael Davis, John Hatherley, Gabby Macadam, Hugh and Ingrid Read, Dorothy Rotas, Hazel Ruberry, Les and Barbara Toye.

The Chairman reminded members that the minutes of the AGM held on 25th October 1997 had been on the notice board for 6 weeks from September 2nd 1998 and asked that they be taken as read. The minutes were approved and signed.

The Committee's report was read by the Secretary, outlining the activities over the past year. Adoption of the report was proposed by Elaine Woodward, seconded by David Clarke, and unanimously approved.

A vote of thanks to the Committee was proposed by Katherine Holroyde and endorsed by the meeting.

The Chairman thanked Katherine Holroyde for her remarks, and expressed his own thanks to the members of the committee who were not standing for re-election: Jonathan Coombs, Eileen Cox, Vera Henderson, Olga Ragg and Sue Rogers.

He mentioned that a new groundsman had been approved to start work next year, and that the present contractors would complete their agreed time.

The Chairman thanked John Hatherley and the coaches for their work over the year.

He also mentioned the success of the Barbeque and the Sparkling Wine evenings, and hoped we would have similar events in 1999.

The South West Federation AGM will be held on Sunday 1st November at The Lansdown Club, Bath. The continuation of the use of Wharrad turns will be discussed; members involved voted by 9:6 to continue at least for next year.

The Club Development Plan was put forward, with plans being on display for the alterations proposed for the main pavilion and for the hut on lawn 3. The reasons for levelling lawns 3 and 4 were explained by Brian Smith, who with help, had used a Laser Theodolite, on loan from the Croquet Association (cost of loan £30), to ascertain present levels.

It is not yet possible to have accurate estimates for the work, but it is hoped a grant would be in the region of £150, 000.

After discussion members were asked to vote for:

1. support to apply for a lottery grant almost all present voted to apply.
2. if the lottery grant is turned down, do we go ahead with the hut alterations, (subject to planning permission etc)? minimum cost approx. £25,000 the majority were in agreement.
3. if the lottery grant is turned down, do we go ahead with the levelling of the lawns? minimum cost approx. £10, 000 the majority were in agreement.

In view of the affirmative vote, members should be aware that this represented a mandate for the plans to be carried out, with fund raising as a priority.

Roger Packe, Club Chairman, gave a brief outline about the way club finances were used, approximately £8, 000 is spent on pavilion running costs. He was pleased to see our section as a cohesive and supportive group.

Election of the Committee:

As there were two nominations for the post of Chairman, a vote was necessary. Gwen Sims was confirmed as Chairman after a count. No nomination had been received for secretary. The nominations confirmed for the committee were Sheila Adams, Val Callingham, Betty Hills, Howard Quarrell, Mary Smith and Elaine Woodward. Gabby Macadam had previously given her agreement and was co-opted as an eighth member.

Any Other Business:

1. On behalf of all new members, Howard Quarrell thanked John Hatherley and the coaches for their teaching and encouragement throughout the year.
2. Peggy Webber asked if it was feasible to have a Golf Croquet sub-committee, instead of one person being responsible for the sessions three times a week. The Chairman replied that this was not an Issue at present and if necessary responsibility could be delegated.
3. Larry Hooper hoped that more people would participate in the winter activities, e.g. whist and table-tennis.
4. John Brightmore requested that the ladder competition takes place in 1999.
5. Cecilia Clarke requested that duplicate notices are put in the hut on lawn 3, as some people do not go to the mallet room.

After a number of notices, the Chairman invited Brian Hanson to present the trophies. As Club Membership Secretary he is very involved with the continued success of the club.

After the presentations Esme Owen thanked Brian Hanson, and reminded us that he was very often to be found in the club or working on our behalf.

Gwen Sims, the newly elected Chairman, closed the meeting.

## CROQUET SECTION REPORT 1998.

As you will remember, 1997 was the centenary year of the Croquet Association; some of our records about Humphrey Hicks as well as his medals and two mallets, that are normally on display, were sent to the exhibition at the Croquet Museum in Wimbledon. The exhibition proved a great success with visitors, (from around the world), that it has been extended until the spring of 1999, when our artefacts will eventually be returned to us.

1997 ended with a Christmas dinner at the Belmont Hotel.

Table tennis and whist were played throughout the winter months and again proved very popular; we were able to give £249.89 to the club.

During the spring we had some indoor teaching and a croquet quiz.

Thank you to those who organised the sessions.

Towards the end of March, we enjoyed a well-attended Spring Lunch at the Victoria Hotel, and at the end of the following week the lawns were open for the first croquet games of the year.

A wet and cold April tested the stamina of our new members and the coaches! and in May we welcomed 14 new members; whose croquet improved more quickly than the weather. Training fees and the sale of relevant books amounted to £321.

A number of members discontinued playing croquet this year.

Sadly, one of our regular golf croquet players died in June. Joan Pearce had been a member from 1991, and her illness and subsequent death was a shock to all who knew her. Joan left a legacy of £5000 to the club.

Our membership currently stands at 102 full members and 5 country members.

As usual the internal tournaments were well subscribed and all entrants had a busy time fitting in their games.

There have been many personal achievements this year, not all are given public recognition. There are some that the club will know about: Brian Smith passed his Referee exam; Tony Dustan-Smith, Vera Henderson and Brian Smith passed their Grade 1 coaching; Bronze awards were won by Sheila Blenkinsop and Paul Whittall in May, and by Ted Owen in September

Silver awards were won by Paul Whittall in May, Tony Dustan-Smith in July and Richard Clarke in September. Paul gained his Bronze and Silver awards in consecutive matches on the same day in May. A record achievement!

Our Open tournaments in June and September were enjoyed by all participants. In June, Paul Whittall won the Fort field Cup, and the winners in September were Brian Smith and Vera Henderson, in their respective blocks.

There were some excellent results in some of the away matches especially at Budleigh Salterton, they must be wishing we did not enter their tournaments! In May the Egyptian was won by Les Toye, with the runner-up Paul Whittall; in July Ted and Esme Owen won their doubles at the Veterans' week; in the August tournament Tony Dustan-Smith was the winner in the 'B' block and Rowland Henderson was the runner-up in the 'C' block; the 'H' block winner was Paul Whittall and the runner-up Graham Dodd. The class winner was Paul Whittall and the runner-up was Graham Dodd.

The doubles was won by Graham Dodd and his partner; the One-ball was won by Les Toye and the One-ball Advanced by Brian Smith.

Brian Smith also won the Golf Croquet.

The award for the most improved player of the week was given to Paul Whitt all.

Also in August, at Parkstone, Rowland Henderson won the singles in his class, and Rowland and Vera Henderson won the doubles.

The South West Federation teams had varied success again this year; the Federation league teams played 5 and won 2 games; the intermediate teams played and won 3 games. They then went on to play in the semi-finals against Nailsea but lost 2 games to 5. The 'B' league played 4 and won 2 games.

The South West Golf Croquet event was well-supported here in June but we did not have success at the finals played at Nailsea in September.

The friendly' Golf Croquet between Sidmouth and Budleigh Salterton had an exciting conclusion: the match at Sidmouth was won by the visitors, but Sidmouth won the match at Budleigh, the games were equal but we won by one point! One match each was a fitting end to their season.

We were honoured to have been chosen to host 'The Selector's Weekend' in September, for advanced players. The 16 players were a delight to watch during the three days. With one small hiccup the weather was good, and the hospitality was enjoyed by players and spectators alike.

As well as our barbecue this year, we spent a summer evening playing Golf Croquet and enjoying refreshments with Sparkling Wine. Both events were well attended.

Discounting these two events, almost £1000 has been raised by our section, for club funds during the year.

The committee would like to thank all who have helped with the ongoing work of the croquet section, for all who volunteer, and for those who quietly get on with things that need attention.

SMR...10/98

## CROQUET ANNUAL REPORT 1998

1998 has been a good, year for the croquet section.

We have over 100 members, many of whom have played in internal and external competitions. All competitors would say they had had a good game regardless of winning, but congratulations are due to many who have won games and awards.

Three members gained their Bronze awards and three their Silver awards. A notable success was the award of a Bronze and Silver to the same player in consecutive games - a rare double.

Our League Tournaments were played at Sidmouth and other venues in the South West, and were of varying success. The intermediate team were semi-finalists, but lost to the team from Nailsea.

Congratulations, too for the many personal achievements that were made by non-competitors.

Fourteen new members joined the croquet section this year, their initial lessons in April-May were affected by wet and cold conditions, but they and the coaches proved

to have stamina informal coaching has been available to players throughout the season.

We were honoured to have been chosen by the Croquet Association to host one of their prestigious events, The Selectors Weekend in September. We were treated to delightful examples of tactics and expertise by advanced level players, who appreciated their visit to Sidmouth. Hospitality was enjoyed by spectators and visitors alike.

The lawns are now receiving some treatment so as to enable them to be ready for the start of the next playing season. Prospective new players are invited to make contact early next year in order to commence training in April.

Throughout the year the croquet section has a variety of events, some open to the whole club, to help with the club, funds. This year well over £1000 was raised.

Support received from all members is appreciated by the committee, all of whom work hard for the successful running of

Sue Rogers,

Hon. Secretary Croquet Section.
